Yearly Support / Update Plans

	One Till	2 - 5 Tills Per Extra Till	6 - 10 Tills Per Extra Till
Application Update Fee	£ 175	£ 160	£ 145
12 months software updates	£ 120	£ 60	£ 45
12 months remote support	£ 90	£ 85	£ 80
12 months off site backup	£ 180	N/A	N/A

Please Note: Both the remote support and off site backup require ADSL / Broadband and cannot be used without a 512K or higher Internet Connection.

You only need to pay the **Application Update Fee** if you are updating from an earlier version of **TakeStock Epos** and do not have valid support or it has been out of date for more than six months.

You can simply add a module as and when you need it, if you are on a monthly payment plan it will simply be adjusted accordingly. Stage one is for you to simply BUY your first till system.

Should you require any further help or literature please do not hesitate in contacting us on **0151 909 5695 or 0161 660 1366**

All prices are subject to change without prior written notification. E & O.E.
